Good Evening,

Captain Cory Palka requested I attend tomorrow's ceremony on his behalf to take pictures for the LAPD Hollywood Division social media accounts. He made it clear to me that he would like this to be something I do each time the chamber hosts these prestigious events. Would it be possible to be granted inner access along with the other city officials present for this purpose? I look forward to formally meeting you tomorrow. Please do not hesitate to let me know if you have any questions or concerns. This email is being sent via my personal non-city email, and my personal cell phone number is [REDACTED]. Thank you in advance.

Regards,
Mathew Rejis
